

Dear Phyllis,

I would like to come up & say hello but we got a so-called mess of dirty dishes, unmade beds, unswept floors, etc. to tackle.

Could Susie phone me when I have to fetch her?

Dear Phyllis,

I hope you don't mind me needing you these things, but I thought you might know of someone who could use them.

Susie would like to give this doll to a little girl who has no toys. Do you ~~you~~ know of anyone who would like it? (It's still in pretty good condition - her Grammy gave it to her last year).

Sahdan is a pet. Harold thinks he's exactly like H.D.

Dear Phyllis,

Please give me a ring if you need
a lift to the airport. If I don't see you — love
to M.D + Gavau. Should you get a chance please
try to find out whether Gavau is o.k. financially
(for studies etc). Billy Nait too. I don't know
what I can do about it, but at least I can try.

love, Maggie.

Dear Phyllis,

Please put this towards your travel expenses. It is not a loan. We're in the clear now. Best regards to M.O. and, if possible, Govan.

Maggie.

P.S. If those young lads who sell newspapers (or any others in the same position) need extra meals please ~~send~~ send them to us.

Dear Phyllis,

I hope you don't mind, I'm sending the kids home because I want to try & get the booby to sleep.

I don't allow Susie to have friends to play in the mornings because we have such trouble with the booby. He just won't sleep if he hears the kids playing. He hasn't slept at all this morning.

I wouldn't mind so much if he slept at night, but he still wakes up, without fail, every night - & as you can imagine we're pretty clapped out ourselves.

I hope you understand.

Love, Max.

Dear Phyllis,

I'm sorry to hear your news.
I hope that this will be the answer
to your health troubles.

Who will be looking after the kids?
Unfortunately, I can't offer as my
ma-in-law is arriving on Friday
& will be staying for a few days.
I'll certainly look in & see how they
are, if they're staying at the flat.

I can't understand about the flowers.
I seem to have lost contact. Will they
again. I'll also try to get flowers
~~from~~ for the hospital.

I'll call on Wednesday — about
7 p.m. I hope that's convenient.

Love,
Maggie

Dear Phyllis,

My idea of seeing you once a week is not going to work. There doesn't seem to be a minute free in the daily routine. I shall definitely make a point of calling once a month (more realistic!), during the weekend. If you're not in when I call, I'll come again - that's safer than making a definite date (which I know I won't keep).

I've enclosed a letter which might interest you - re. raising money. Hang on to it, I'll collect it sometime.

love,
Maggie
