Dear Mother,

How are you feeling? I hope as well as can be. A very kind lady told me she had a friend in America who would post this to you since Liberia and South Africa don't have any direct postage link. Anyway it has been a long time since I last wrote you. How is my brother? Is he well? He must be a big boy now. And what about M.D.? Where is he working now? My father is living in Nigeria now, he is married to a young girl of 22. They have two children now, a girl and boy. I am studying hard. I am going to close now.

This is my address Y.M.C.A.
