Oribi Village,

15th August, 1967.

Dear madam,

I am very glad to get a chance to write a letter to you. Well I'm still under good condition.

The children are much better now, I ^{took} ~~sent~~ them to the clinic. I'm sorry to tell you that I lost your address will you please send me another one please my friend.

My journey from Durban to Pietermaritzburg was very nice. Here are the children's clothes sizes.
