Dearest Auntie Phyllis

Sorry for not having written earlier, I was rather busy preparing to go back to work. I got home safely and everybody is still fine. The family was delighted to hear about you, they're all looking forward to seeing you.

How are you keeping? Have you been admitted into hospital yet. I hope it's nothing serious. Please do write to me and tell me what's it all about. How are the kids doing now?

I miss them. The time I had
with them was the best.
Thank you very much for every-
thing you did for me, welcoming
me in your home at anytime. There
are not many like you in this
world of ours. God Bless you. all. I'm
glad I met you.

Here is the R5 for the stacks. Thank
you very very much.

Keep well and the best of luck
Best regards to Bye dear. Pearty.
Rose.
