

Hullo Phyllis,

I'm on my way through Marsen  
to Morija to see Cliff + had  
hoped very much to find you  
in.

I'm here by car, so I'll phone  
you and make a time to  
drop round.

I hope you and Sagdi (sp?)  
are well.

Looking forward to seeing  
you.

Love  
Lush.
