

Dear CATHY and family and
PHYLLIS and Monroe

How is everybody? We
our all fine. We
moved into a very
small but nice house.
We have bought lovely
cane furniture for
the living room. Christina
and I sleep in one
room and Vanessa and
Patrick sleep in another
room with an attached
bathroom. And my parents
sleep upstairs on the verandah
a. Because there is
a lovely sea breeze,
we live right near
the sea. We got
Phyllis's letter, ~~thank you~~
thank you very much.

(I got my hair cut)

Love Michael Huth
