Dear Phyllis Naidoo

Your letter is dated
28th March, which is a long time ago.
I've had an accident to my leg, which
has put me out a bit.
You address your letter to Mr & Mrs
Edwards. I sent the Xmas greeting
"from the Edwards family" but
actually we are three sisters.
We were sad to hear your news, and
we did send the card because your
husband was in detention.

How dreadful that you ask us to
forgive you. Do you think we are
"God"? I can imagine your stresses
and strains, and I don't know how
long your husband has been away,
and you are suffering now because
of your children

14/6/74.

Dear Phyllis, it was terribly honest of
you to send that letter, and shows you
must be a fine person. I shall certainly
send a card, & will be glad to
know how you make out.

Goodness knows what any of us
would have done in the circumstances.

Yours Sincerely

Doris Edwards
& Sisters
(We are unmarried)
