

I wrote letters several weeks ago to  
George Singh, R. Anandh (Natal  
Furniture - Jacobs) and Harry Bassudey  
of Bassgo Funiters, Warwick Avenue.  
No replies. If you are not "au fait"  
with them, can you please ask someone  
to phone them & ask for replies?

Tell George your friends are coming  
here & he may have a panel for me.

Please give me the full name of  
your friend Gabi for fruit certificate.  
also send a few slabs of Nut Milk  
Chocolate & some good sweets.

My articles should be carried as  
hand luggage if possible.

Many thanks Beti, & my apologies  
to your friends - & thanks - for  
inconvenience.

Kaka

Don't let my articles be considered  
excess baggage & have to be paid for.  
Rather leave them out, I insist.  
Your friends must bring  
Umbrellas - it rains frequently,  
also light raincoats.
