Dear Phyllis,

Thank you for your letter which reached us at the end of April — I had no idea it was so long ago. It must have cost you a lot to send that letter & we appreciate your consideration of us in this sad business.

You have suffered in a way that we have not, so while we can not understand what you have gone through, we do offer you our sincere sympathy & love at this time of strain. We hope that in the future things will be better for you & the children. May God bless & keep you all.

Yours very sincerely,

Notah & George.
