Dear Phyllis

Thanks for copy of letter  
from your friend on Robben Island.  
John & I are sending enclosed  
P.O. so that you can send him a  
pen. I will also write to him  
if you think he would like me to,  
but I realise he may be restricted  
in the number of letters he sends and  
receives, so I do not want to  
prevent any nearer friends or relations  
from hearing from him. John asks me  
to thank you for your Xmas card & to  
send his best wishes. But how  
do I get the letter you enclosed to

You sister as I do not know  
her address ? Or do you  
mean that she will pick this  
up from me ?
