

My Dear Dot,

Many, many thanks for your letter received yesterday.

I am so pleased that you wrote and sent a message from Sophie-Phyl will be delighted.

I would like to meet you sometime - maybe one day at the "open door". I normally visit Stanhope Centre once per month and I think on the 24 August, if you can I shall meet you then. Drop me a note if it is at all possible.

Best wishes - God bless

*James.*
