

Dad's health has been
in great shape since Amanda
has been here. The thought of
her going back makes me
sad. I'm really going to miss her.
She sends her love to you.

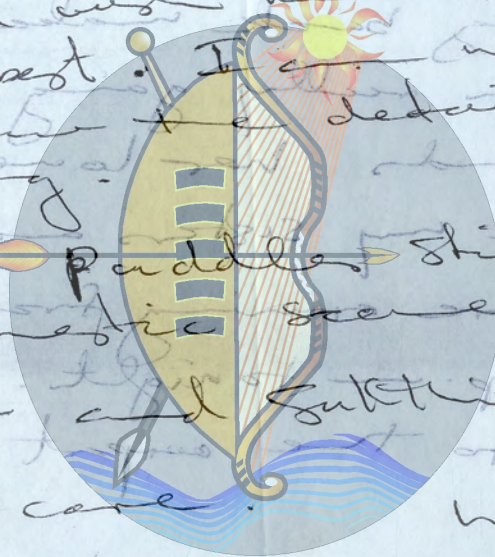

Another of my sisters and her
daughters are arriving from Canada
at 9.30 p.m. tonight. My family
are gone to the airport to fetch
them.

I have had a letter from
Paul. He says its a great together-

him. Satch you must know

girl. His wife and baby are well.
will be going to see them shortly.

I saw Doris a couple of times
recently. She is staying with
some people at a cottage on
the beach which belongs
to family friends. She tells
me that you are not in touch
because her letters don't get to you.

It was good to see her after
such a long time. Glad since
you are with her in thought.

Tell Nawoe I said congratulation
Give him a kiss from
me and wish him everything
of the best. I am not interested
to know the details of his
wedding.

Is Paddles still dancing
the domestic scenes. My love
to him and Suteh. You to
take care.
