Loving Aunt Phyll,

My dearest greetings to  
you. Here I am a week old  
here and homesick for your  
radio. We have't started  
classes yet I figure that  
it will be next week when  
we start on our prep  
courses. We are so cut off  
you know, no radio, not to  
mention newspapers not to  
this stage I cannot fit

understand the local  
dailies very well. I have  
a headache that sometime  
bugs me down. I'll see a  
physician on Thursday about it  
I hope you received my  
letter through M. I am  
going to write Papi also about  
the things I would like you  
to send me that is if you  
have not sent them to Jim  
already as I had requested.  
What I need most here some  
jens. and winter wear. Papi  
will give you my shoes  
although I would also like  
a pair of 'bouncers'

size 10 or 10½. I would  
also be very glad to hear  
from my sister Lula. She  
was at King Edward  
but I believe (from my last  
contact with her, last year)  
she is at St. Appolinaris  
Hospital, P.O. Centocow, via  
Chreighton Dulver. I hope  
you will be able to advise  
her on how to go about if  
she wishes to correspond  
with me. Tony is here I  
learn but I have not been  
able to meet him until now.  
Warmest greetings to all.  
Sincerely,  
Thelma M. M. Khadar
