Dearest Phuleys,

Surprise! Surprise!

I hope this long overdue letter finds you & Sukhti well.

First of all I must thank you very very much for the beautiful gift you sent our baby, its one of the prettiest baby grows she has.

Her name is Omesa, she was born on the 6th of August weighing only 5 lbs. & was in an incubator for 4 days but has grow and put on weight very well. She now weighs ^{over} 13 lbs.

I am back at work and went overseas for a week on the 1st November. I went to London, Paris, Lucerne, Zurich & Frankfurt. Omesa is a very good baby. Even though Dink & Lynn spoil her they talk to her all the time & refuse to leave her in the cot if she is awake.

Lynn is in STD 6 now and has just finished writing his exams. He has grown so tall you just wont believe that he is the same skinny "Dodge" that you knew.

My mother is well & always wanting to come & visit you. Unfortunately I have no leave left, having taken off 4 months to have the baby, so we cannot bring her. Hopefully over Christmas she may get a lift. She is now living at Sanbantille.

staying a flat with her sister, Thelma
We often talk about you especially
when I cook. Shall or when we
have coffee in the evening.

Dick is quite upset that you have
forgotten his ~~to~~ surname & wrote to
Mr. Pather instead of Mr. Parker.
We hope to build or buy a house
at some stage as the flat has now
become too small, also rents have
increased.

There are not many new people at
Sambartille, still the same old faces.
You remember ~~the~~ Dimes don't you —
my neighbour, she often talks of
you & always asks me to pass on
her regards to you.
Mrs. Hillary from flat 1 has married
& is now Mrs. Kander.

That's all the news I have for now but
I will write to you soon & send you
some recent photos of Omera & Yamin

Love to you & Sukthi

Suzette.
