Dear Phyllis

Thank you for your Christian Concern and prayerful support
in this our troubled time.

I must honestly say that I am amazed at both Christel and myself
for being so very courageous.

Surely it is the prayers and support of Christian friends like
yourself that make us feel this very strong presence of God
with us. I know that Sol must feel the same too.

Thanking you again for the assurance of your love and
sisterhood.

With Warm Christian Greetings

Yours sincerely

Isobel.
