My Dear Phil,

I'm off to Lusaka Now. Yesterday evening I went to Com. Zuma's to collect the tin that Sue asked me to. Unfortunately he was not in, even this morning. So you'll only receive the one collected from Saeeda's.

When I got this one copy of SECHARA I immediately thought of you. (Trying to avoid further embarrassment - remember the article on churches?).

I cannot but but to you again my thanks (and I know this is what Ray would have wanted too) to you and Sukthi of course - for the wonderful home you made for us during our stay there. But above all, I think we have to thank (fate)? for making YOU available to the needy, the hungry and the homeless.  
Love,  
Mavis.
