Hello again

Ive been going through a bit of a rough patch the last few days. there are times when I get terribly depressed and very homesick. Roger had a long talk with me yesterday and he said that if I don't pull myself together I might do myself a lot of unnecessary emotional damage. I know he is right but I can't help what I feel.

[3pm] I have just received a phone call from one of my school friends who has just arrived in England to avoid the draft. we have arranged a reunion for later this evening.

I have taken note of your request in the last paragraph of your last letter. I don't know what to find out but when I do I'll let you know. L Nicholls +++++X+X+X+XXX
