Dear Phyllis,

Twelve days late, but all the same, a very happy new year to you and Sukethi.

It is obvious to me now that you were serious when you advised that we should not expect to hear from you, since I have had no letters from you after ~~the~~ my last two to you. I hope you are well and taking good care of yourself.

The Christmas - New Year period has been a very pleasant one for all of us at home. My brother from East London was home for a few weeks and we had a fair amount of fun and cheer, my parents are fine and so am I.

Do drop me a line when you have a moment to spare and let me know how you are.

Love Sivoli
