

Leslie

My dear Shelli,

9/6/81

This is a personal note.
Many thanks for everything you and Sub
and for me.

Hope you and Sub are
keeping well and fit.

I profusely apologise for
having not written sooner, this was due to
many things. Paul reached Dresden
on 20 May, 1981. I was unable
to get the airfare price in Maputo.

Here it is:

Maputo - Moscow - Budapest -
Moscow - Maputo K 1909 = 50.

The price is almost equivalent
in Rand.

The Maputo - ~~London~~ Budapest
flight has been cancelled.

My greetings to all the crew
at open end, and also to Peter, her
and your Lee.

Amanda! Mable!

My love to you and Sub.

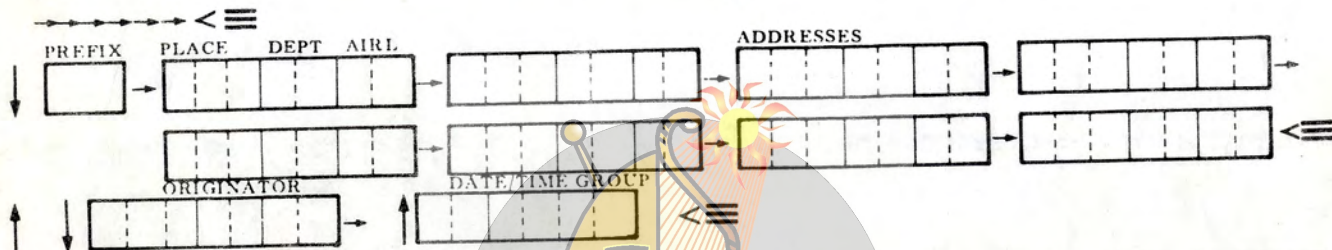

Sean

PS The flights on Friday.

enclosed Airplot to former mission.
