Dear Sukhthi

It's been a long time since I've written to you. I've just written to the Sahdhan, and most of my ideas are in their letter. But I also have a lot to say to you. I

I enjoyed your report ~~it~~ was very ~~pleasing~~ pleasing. Is it cold in England?

Yesterday was mums birthday she turned 33. We had a party for her. Liz, ~~Francis~~ Francis, Jonathan, Robin and many others.

Your mum is taking us to the Boccaccio for dinner.

We are here for two weeks, we arrived at 2 o'clock this morning on Monday.

It will maybe soon enough I will write in again.
