Dear Sha

Today is mum's birthday. We are
at Aunt Pats place. Yesterday we
went to the Kingsway Cinema,
we saw the Party with Peter Sellers,
and we saw Silver Streak with
Richard PRYAR and Jean Wilder ~~who is~~
(~~and~~ man).

I did not do quiet well in class,
I came out 14. How is your
Studies getting on? How is Sadhan
and Saks? Does it snow in Cueba?

Your mum said that you must
make a copie of this letter
and send it to Sardhan.

Love from
Jazmin xxx
