DEAR Grand, P.V.R. Maudoo.

I heard by my father that you are leaving this country, by reasons you can not avoid.

Now ever I wish you Good Luck, where ever you will be, please remember me, please remember where ever you are. Through sorrows and happiness. I will not forget your kindness and love to all people.

The assistance you gave to me towards the beginning of my high school studies will never be forgotten by me and my parents.

I am not happy about your leaving this country and the ourselves. I do not know who will assist my parent beside you in my schooling. I wish if you were not going away.

I think as long as we are all leaving we will once again meet.

May God be with you and where ever you go and the bless your journey where ever you go.

My gift to you is PEACE and love to all. PLEASE REMEMBER ME.

your grand daughter 'Mantšepi Prisca Ramosene
