Hi Phyllis -

We're thinking of  
you every day & send  
our love to all. —

Your article, so horrifying  
& sad as it was, was  
powerfully written, human  
— and should receive  
a wider audience.

Can we send to papers,  
mags?

Sorry to rush — I'm at  
office, mail is leaving &  
god, look at the papers to  
push! Love to you on your  
birthday Howe
