Greetings Phyllis!

I expect a radio and another small parcel to be sent to Cole Bello from home. Cole Chris will perhaps hand these over to you or to Cole Janet.

I thought that the last time we met you said you would pass here on your way back. What happened? Anyway I hope you responded very well to treatment, and I wish you all the best of luck. You still ok this side.

How is your daughter! Say hello to her. I wonder whether she still remembers me.

Say hello to all comrades.

P.S. my phone number is 211033
