

P.O. Box 301,

Mason,

13th January 1983

Dear Phyllis,

Just a note to introduce Nancy who has a problem of maintenance for her children by her husband with whom I understand, she has not lived since 1975. It appears he has married another woman and is paying Nancy no support for the children.

I believe she has visited the office before but was unable to proceed for lack of funds. I hope you'll be able to help her.

See you tonight
