My Dear Phyllis —

Hope you received my previous letters —
have not received any replies from you.

Hope you suits are well.

Handed over your letter to John — he
is here waiting for a work permit to Bets
we introduced him to a friend who may help
him if need to get a job in Zimbabwe.
Your parcel for Shah ~~for~~ was left behind
by Blanche — so I got someone else to
take it to him.

With our best wishes to you both

yours Ray Sack
