My dear Sonya,

Hi -

It's freezing here

We are having helluva border problems
at the moment - no Basothos got
across yesterday - My Sister-in-law

& 4 kids were afraid - me too -
left at 6am - they phoned
from Ladybrand to say they had no
problems - Thank Goodness -

Complaints from home is
that the ~~the~~ is not getting
thru - & they are anxious -

esp. Natal area.

Do something - Please

Love to Brian self - Peryl;

Any chance of Hilda's new book.
