

March 30

Dear Phyllis,

Nearly 4 weeks since I left Durban — after a great visit! Thanks so very much! I hope your 2 wks. in Joburg went well and that you are back in your routine of writing.

I had a great visit with Laurie + family the next Sunday, gave your gift — + mine.

Sukhri invited Andy Meldrum + Dolores Cortez as well.... and Andrew's father joined — for a scrumptuous meal. Lots of relaxing, sharing stories, and baby "puja" (worship, Hindi).

I hope you enjoy these pictures. We are especially thinking of you, as another anniversary rolls around, Sadhan's —

Love, Bud.
