Dear Rev. Walker,

My friend in the USA sent me your "leaflet" celebrating the victory of 1996 and celebrating the children of Cuba in 1997. Can you believe that even in a democratic SA we did not hear about the blockade of your caravan. We did not know of the fast. How are the 5 who fasted. We salute them. Are they in good health? Is it policy not to mention their names.

I've made copies of your flyer and sent to different organisations, hoping that more people will know at what cost your solidarity is maintained. Thank you so much.

My son Sha was in Cuba for 10 years. It is 1 year 10 months since he died today. I send you his obituary. I am so proud of Cuba and my one desire is to go to Cuba before I die. To see the places that Sha was at and to thank the Cubans for their solidarity with our struggle for democracy.

As soon as our STRUGGLE pension is paid out I am hoping to make the trip to Cuba.

I am not sure what sum the bank will allow me to send to you, but whatever, I send it with much love and gratitude for the work you do to counter the blockade of Cuba. Thank you.

Sincerely

Phyllis Naidoo (Mrs)
