

HAPPY  
BIRTHDAY

Dear Grandma,

Thankyou so much for the times, I was fortunate to share with you, and for the knowledge I have gained from being with you. Believe me, you have taught me a lot. I have really enjoyed the few days with you. Hopefully the few days were long enough for some of the beautiful things that are you, to have rubbed off onto me. Please stay in touch, and I will definately see you again. Never give up. (Something I have learned from you)

Tom
