

AMNESTY  
INTERNATIONAL

Amnesty International is the world's largest human rights organisation. It seeks to secure the release of prisoners of conscience, works for fair and prompt trials for all political prisoners, and campaigns against torture and the death penalty.

Dear Phyl  
I find the detainee piece  
powerful and moving.  
I think I know who it was.  
Please keep in touch  
in the coming year.

I am on the waiting list  
for a hip replacement  
op. Now that the English  
winter blight has set  
in I find my warm  
bed very seductive  
but try to be disciplined  
about getting on with  
things. Am relieved that  
I have retired from  
fulltime work - where I had fallen among  
"Thatcher's children" - but do some freelance  
journalism if it really interests me. Loving  
best wishes for 1997.
