Dear Manager,

I paid a subscription for a years supply of M&G as a birthday present for the 29th May, last year. I want to repeat the same for another year. To avoid a break in the delivery to her I want to pay an early subscription of R140.00, cheque enclosed.

If the offer of free R50.00 voucher is available in these circumstances, I'd be pleased if this is forwarded to me at the above address.

However the subscription gift is for

Sukhthi Naidoo,

Sincerely,

Phyllis Naidoo

PS Congratulations to Phillip van Niekerk - richly deserved.
