My dear Hyl,
Thank you for your
letter and enclosures - I cried
when I read it - the TRC "stuff" -
but for you and your pain - your
heart-ache and your anger. I do
keep you in my heart and pray
for you.

I am in a beautiful place - an old
150 year old house - with 39 people from
about 20 diff. countries. Many have
worked in Africa. There is one great
bee who knows Dick. How is he? Have
you heard from him?
I go for walks every day, even though
the weather is very windy - but
Spring is coming.

Give my love to Bubba - even met someone
who knows you! I hope she has been
in touch with you. She is back in SA.

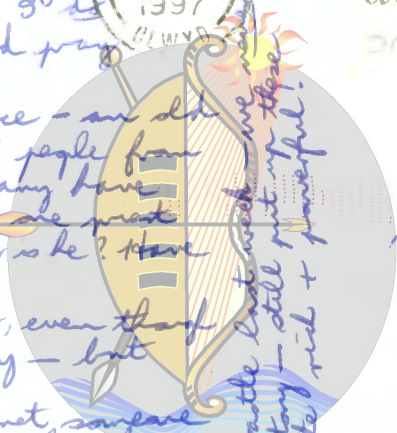

Castell Caernarfon: Tŵr yr Eryr
Caernarfon Castle: The Eagle Tower

Hyl - do take care of yourself - know
that you are loved and thought of and
prayed for! Much love, behav.
