

By the way,  
John Osmer has  
been made a bishop,  
I hear.

Do you have a current  
address? Bill  
Johnston had one  
but couldn't make  
out the name of the  
town where he lives.  
Perhaps in Eastern  
Lambia.

We send our fondest  
love at this  
moment with  
thanksgiving for  
your life, your  
family and  
your work.
