My dear Ania,
Jose Marti Memorial,
Calle 1 No. 304 15 y 17,
E.L.Vedado
La Habana, CUBA.

On Wednesday 30th September, 1998 we visited the Jose Marti Memorial with Liz Henderson and Peter Jackson. Liz took this photo of us, with a young lady who was employed as an interpreter, and whose name evades me now. I was hosted by CEAMO.

I want to thank you again for giving so much of your time and for explaining your history so proudly.

You wished all of us 'good luck in the future' on the certificate you presented us. Thank you. We wish you the same. I wish you also good health to carry on your wonderful work.

Have you found a way to deal with the vultures who have come to stay on the monument?

Hope you like the copy of the photo. It is my proud possession. Thank you.

Sincerely,

Phyllis Naidoo
