STATE OF EMERGENCY

CRISIS NEWS

News reports, comment and reflection in CRISIS NEWS concerning the unrest and actions taken by the security forces are subject to restrictions imposed by the emergency regulations. Legal advice tells us that nearly all critisism about the present state of emergency could be deemed as "subversive". Therefor readers will find this issue partly censored. As the Editorial Committee of Crisis News we can legally be made to comply up to a certain point but we can never be forced to censor the Word of God.
