HAMBA KAHLE COMRADE RADITSELA

Sizokukhumbula njalo

He who would not give in
Has been close to death
He who was close to death
Should not give in.

POWER LEADER
DIED SHORTLY
AFTER
DETENTION

The warrior's death
It shined with earth,
The bloody adventure
Began
From the grasp of one who tried to
Bring the battleship.

See the fight is over, dead
When he who did not fight came to close to death
The enemy
Has not yet won, cannot break.
