Dear Sir/Madam,

You are no doubt aware that the threat of the Herren-
volk to segregate the Non-Europeans (ie. Africans, Coloureds and
Indians) on the trains in the Cape Peninsula, has come very much
nearer. In fact, it is reported that it may begin during the next
few days.

This matter, you will readily agree, affects all of us and will
have to ^{be} resisted by ALL OF US. It will have to ^{be} resisted in a principled
organised and unified manner, and that NOW.

Therefore, the W.P. Co-Ordinating Unity Committee (of the
NON-EUROPEAN UNITY MOVEMENT) invites your organisation to attend a
meeting at the :

STAKESBY - LEWIS HOSTEL, c/o CANTERBURY and COMMERCIAL
STREETS, C.T. ON WEDNESDAY, 13th AUGUST, 1948. REMEMBER THE
DATE, the 13th AUGUST at 3p.m SHARP.

The meeting will discuss the position fully and decide upon ~~the~~
the practical measures to be taken.

An invitation is being sent to all political, civic, religious
trade-union, social and sporting bodies in the Cape Peninsula.

We know that the notice is very short. But the Herrenvolk ~~are~~
are moving rapidly and at very short notice too, so we are certain you
will take every step to meet the urgency of the situation.

Please send TWO delegates at least.

Yours fraternally,
C. C. Cooper.
Hon. Sec.
