

A Z I K W E L W A E T H E N B I S A

A Z I K W E L W A !!! From MONDAY to WEDNESDAY, 20th-22nd Sept.

The people of South Africa are going into the third phase of their struggle against the oppressors namely OPERATION AZIKHWELWA !!

The racists in our last demonstration - called by the cynics a riot lost millions of rands as a result of the people not going to work. Thus they thought of immediately breaking the student-worker alliance. They immediately called on workers to carry knobkerries and swords to murder their own children - who are protesting for a right course.

Parent workers, you should take note of the fact that if you go to work, you will be inviting Vorster to slaughter us your children as he has already done! In Soweto and Alexandra, Vorster and his gangsters, have already claimed that this week's shootings were made to protect parents from their own children you will be giving Vorster a pretext for murdering us, if you go to work. Please do not allow Vorster to instigate you to murder your own child. Let him do his dirty and murderous job without making you a scape-goat! We want to avoid further shootings - and this can be done by you keeping at home without being stopped.

We want to write exams, but we are not so selfish to write even if our brothers are being killed at John Vorster Square. Parents, you should rejoice for having given birth to this type of a child. A child who prefers to fight it out with the oppressors rather than to be submerged in drunkenness, frustration, and thuggery. A child who prefers to die from a bullet rather than swallow a poisonous education which relegates him and his parents to a position of perpetual subordination. Aren't you proud of the soldiers of ~~liberation~~ liberation you have given birth to? If you are proud, support them! Do not go to work from MONDAY to WEDNESDAY!

Do not shiver and think that we have lost and wasted a year. This year will go down in history as the beginning of the end of THE OPPRESSIVE SYSTEM, the beginning of the end of the oppressive conditions of work in South Africa.

Vorster is already talking of home ownership for Blacks in SOWETO and other Black townships. This is a victory because we, the students, your children decided to shed their blood. Now for greater victories: the scapping of BANTU EDUCATION, the release of prisoners detained during the demo, and the overthrowal of oppression. We the students: our parents to stay at home and not go to work from MONDAY.

Parent-workers, heed our CALL and stay away from work like in Soweto and Alexandra. We the Black Society have nothing to loose from ~~EX STAYING AWAY FROM WORK~~, but our chains!! Let our oppressor tremble! The people of South Africa are resolved in one word they will be crying: ~~xxxx~~ "Kruger, release our children!" "Kruger, we want about our children by going to work!"

Our slogan is :→ Away with Vorster, Down with oppression!!!
POWER TO THE PEOPLE!!!!!!! When have these criminals (Vorster) cared for you? Didn't he order for killing of twelf workers in Carltonville? Were not dogs called when in Croeses ~~xxx~~ people went on strike? Were not pregnant women strangled and battered (beaten) by Vorster's police thugs at Heinemann Factory?

A Z I K W E L W A M A D O D A !!!!!!!
