

SOWETO STUDENTS REPRESENTATIVE COUNCIL

TO: ALL FATHERS & MOTHERS, BROTHERS & SISTERS,
FRIENDS & WORKERS, IN ALL CITIES, TOWNS &
VILLAGES IN THE REPUBLIC OF SOUTH AFRICA:

We appeal to you to align yourselves with the struggle for your own liberation. Be involved and be united with us as it is your own son and daughter that we bury every week-end. Death has become a common thing to us all in the townships. There is no peace, there shall be none until we are all free.

1. Soweto and all Black townships are now going into a period of MOURNING for the dead. We are to pay respect to all students and adults murdered by the police.
2. We are to pledge our solidarity with those detained in police cells and are suffering torture on our behalf.
3. We should show our sympathy and support to all those workers who suffered reduction of wages and loss of jobs because they obeyed our call to stay away from work for three days.
4. We should stand together and be united in the demand:
CHARGE OR RELEASE ALL POLITICAL PRISONERS!
5. WE MUST BE FREE!

OUR CALL IS: ALL THINGS THAT WE ENJOY MUST BE SUSPENDED FOR THE SAKE OF OUR KIDS WHO DIED FROM POLICE BULLETS.

- NO CHRISTMAS SHOPPING.
- NO CHRISTMAS CARDS.
- NO CHRISTMAS PRESENTS.
- NO CHRISTMAS PARTIES.
- NO SHEBEEN DRINKING.

Let us, your kids, for the first time, neither buy nor put on any new clothes for Christmas or New Year.

The year 1976 shall go down into our history as the YEAR OF MOURNING, the year that flowed with sweat, blood and tears for our liberation.

We shall demonstrate this solidarity and sympathy with those who lost their lives and those who lost their wages and jobs by:

NO MORE GOING TO DO SHOPPING IN THE FOLLOWING:

- ALL CLOTHING SHOPS
- ALL FURNITURE SHOPS
- ALL BOTTLE STORES
- ALL TOY SHOPS
- ALL RECORD SHOPS, etc.

We appeal to all Parents, Workers and Students, and all Shebeen dealers to obey this call. We cannot find happiness in death.

We cannot CELEBRATE!

N.B. Your sons and daughters and all Black leaders shall be on the watch-out for sell-outs and traitors of the Black struggle!

"UNITED WE STAND"
