Open letter to Perkins

The United Democratic Front (UDF) is calling ^{you} on ^{Mr} Charles Perkins, the ambassador of the USA to SA to show cause why you and other USA

The United Democratic Front, recognising the fact that the struggle of the peoples of S.A against the Apartheid ~~Racist Colonialism~~ and imperialism is essentially ~~very~~ similar to the one waged by the people of Angola, ^{against colonial & imperialist forces} ~~the Southern American Islands etc against forces which try to foster these abhorrent systems on the~~ ^{you} peoples of these country, hereby wish to call on ^{you} the representative of the U.S.A in S.A, Mr. Charles Perkins and that the Angolan people have won their liberty but ~~that~~ the Reagan Admin. has seen it fit to support a terrorist organisation, UNITA, in subverting the independence of Angola, hereby wish to call on you, Mr. ^{Edward} ~~Charles~~ Perkins, the ambassador of the U.S.A to S.A to show cause to us and the world over why the people of S.A should not declare you and your entire personell, *Personae non Gratae*

The UDF does so because it is shocked, sickened and angered by your Govt's unashamed intentions to continue with its destabilisation policies both in Southern Africa, and ⁱⁿ ~~even~~ the ~~Central America~~ ^{other parts of the world particularly} ~~in~~ ~~Nicaragua~~

Your Govt. has ^{through its dollar,} ~~now~~ become the chief sponsor of international terrorism despite ~~your~~ its posture to the contrary. It has ~~thereby~~ become the single most war-monger and champion of terrorism, the world over. It has accorded itself the status of a world policeman.

For many years your government's foreign policy has been characterised by intimidation, coercion and suppression of economically and militarily weaker nations, ^{as well as} ~~and~~ interference ~~in~~ ^{in their} ^{Chosen} ^{cause} of development. These crimes ~~has~~ have become ~~more~~ ^{more} pronounced when the Reagan administration came to power.

It will require volumes of books to update you about the criminal acts of your country, ~~to~~ however we will ~~not~~ refresh your mind ^{only} with the most recent ~~occurrences~~.

~~1975 - The Ford administration's encouragement for South Africa to invade Angola~~

~~The 1975 encouragement of South Africa by the Ford administration to invade Angola~~

Your Regime encouraged ~~the~~ South Africa to invade Angola from the Southern part in 1975.

At the same time your mercenaries were wearing havoc in the northern part of Angola, together with your proxies, FNLA and

UNITA. Of course, Sir, you ~~let~~ get cold feet because the will of the people of Angola was stronger than your weaponry and low morale and you left S.A in the lurch.

1982: Your disrespect of the Zimbabwean national self-determination was clearly ~~demonstrated~~ by your suspension of loans to that country simply because the Zimbabweans did not support your motion condemning ~~to~~

the U.S.S.R. for shooting down ~~a~~ the Korean airliner,
~~which violated the sacred borders,~~ ^{of the Soviet Union} for espionage
~~purposes.~~

Your Govt's utter contempt of the Sovereignty of
Grenada was displayed by your invasion of
that country in 1983 ⁱⁿ ~~and~~ ~~teffling~~ a legitimate
Govt. and installing ^{of} your interest group into
power.

Your regime's so-called Constructive engagement
with the South African Govt. proved disastrous
and destructive and has not moved the
country an inch away from the crises
it ^{is} ~~is~~ facing, on the contrary it has entrenched
our miseries & frustrations ^{and} ~~with~~ ~~has~~ ~~strengthened~~
bolstered the Apartheid regime.

Today your Govt, ~~that~~ spends Billions of dollars
to aid bandits in destabilising the legitimate
popular Govt. of Nicaragua. Simultaneously,
the fascist regimes ~~in~~ Chile, El Salvador,
Honduras ~~and~~ ^{and} ~~receive~~ ^{receive}
material support from your Govt. because
they bow to your demands.

Your continuous support for the Unita makes you responsible
for the ^{senseless} deaths of the hundreds of South African, Namibian
and Angolan people.

Today Israel is bent on a war of extermination of
the ~~Palestinians~~ with full co-operation of the USA. But, just
as Hitler failed in his genocidal activities, ~~so will~~ ~~against~~
the Jews, so will the ~~Israeli~~ ^{Israelis} ~~against~~ the Palestinians. ~~is~~
~~well~~ ~~at~~ ~~the~~

HAVING INNUMERATED THE ABOVE-MENTIONED EXAMPLES INSIDE &
OUTSIDE OUR COUNTRY, THE U.D.F CAN REACH NO
OTHER CONCLUSION OTHER THAN THAT YOUR PRESENCE
CONFERS UPON YOU THE STATUS OF A ~~CO-~~
~~SECRETARY TO~~ ^{CO-CONSPIRATOR WITH APARTHEID} AND DOES
~~NOT~~ ^{NOT} IN ANY WAY ADVANCE
OUR CAUSE FOR FREEDOM AND PEACE IN THIS
COUNTRY, ~~AND~~ ^{BUT} ~~THEY~~ ~~DEEPEN~~ DEEPENS THE THEATRE OF
CRISES IN OUR COUNTRY

~~IT IS~~ THE ONUS IS THEREFORE UPON YOU, SIR,
TO PROVE BEYOND ANY REASONABLE DOUBT THAT
YOUR PRESENCE IS DESIRABLE IN A MANNER THAT
IS ACCEPTABLE TO THE MAJORITY OF THE PEOPLE
OF S.A.
