

COMMUNIST PARTY OF SOUTH AFRICA.  
CAPE DISTRICT.  
32 Lloyds Buildings, Burg Street  
P.O. Box 1176. Cape Town

.....

April 24, 1950.

TO ALL LANGA MEMBERS:

THE PARTY DEPENDS ON YOU!

Dear Comrade,

The District Committee is very seriously perturbed at the slackness of the Party members at Langa. They do not attend their group meetings, nor do they pay subscriptions regularly. The majority of members in fact are completely inactive.

The Constitution as you know, lays down that a Party member must attend his group meetings, pay his subscriptions regularly and do such work as may be decided upon by the Group or the District Committee. Members who do not fulfil these requirements are liable to be lapsed from Party membership.

All over our District our Party groups are flourishing and our African members are active -- with the exception of Langa.

The District Committee urges you to pay more attention to your duties as a Party member, particularly now when the Government is threatening to attack us. Without a strong Communist Party, there will never be freedom, and unless members are active, there will be no strong Party.

From now onwards there will be only two groups in Langa. The Timothy Jonas Group for those who live at New Flats, and the Ndabeni Group, which meets every Tuesday evening in the Library, Langa. You are therefore now a member of the Ndabeni Group.

Please attend your group meetings regularly each week. Pay your subscriptions each month and help the Party in its work.

From now on, all Party members at Langa, who do not do these things will be lapsed.

Yours fraternally,

F. CARNESON.  
DISTRICT SECRETARY.
