Dear Steve

Enclosed please find a copy of our December executive minutes. I will also be forwarding you a copy of the discussions which took place at the seminar and these will probably be of greater interest to you.

If it is possible, I would also like to receive a copy of the minutes or a report on your meeting held at about the same time. I hope to see you in Natal when I come round early in March and lets hope that this time we can get together for quite a while and thresh out some of the ideas that are floating around. I am sure that there is a lot of scope for fruitful co-operation and hope that we will be able to sit down and explore whatever possibilities might exist, or at least to look at the things that are hanging us up. NUSAS is having another Standing Comm and executive meeting from January 27 to 30 in Johannesburg and if you have got any ideas or any material which you would like me to put forward there for discussion, I will be happy to do so. See you in March, but drop us a line if you have time.

Regards
