PORT ELIZABETH.

Dear Geoff,

Mazeltoy - we have found something useful for you to do. Seriously though, we are trying to contact Barney Pityana of SASO to find out

- a) what they are doing about sending a guy to Ghana on the 29th December, and
- b) Whether there was anything from their Exec meeting that they want to put on the agenda for a joint exec meeting in Cape Town in Jan.

I know this is probably a nuisance, but you are the person best located to get hold of Barney soon and I wonder if you could do those two things for us? Also if he or Steve need accommodation in Cape Town in January we can help.

Barney's address is: 50 STOKWE ROAD, NEW BRIGHTON, PORT ELIZABETH.

If you could ask him to drop a note or if you could (before Xmas) this would help enormously.

Happy festivities,

Neville Curtis,
President.
