

BLACK PEOPLE'S CONVICTIONS: REJECTION
OF FOREIGN INVESTMENT ^d

At the Black People's Convention national congress at Hammanskraal in December, the following resolution was unanimously passed:

That this congress noting:

The role played by foreign investors in maintaining and supporting the economic system of South Africa,

that this system is designed for maximum exploitation of Black people,

that the riches and resources of this country belong to Blacks as their birthright,

that foreign investors claim their presence in this country contributes towards the development of the Black community,

that this claim is disputed by reality of the Black experience in this country,

Therefore resolves:

To reject the involvement of foreign investors in this exploitative economic system,

to call upon foreign investors to disengage themselves from this White-controlled exploitative system,

to give the national executive a mandate to make known our stand on foreign investors both in this country and overseas through all available channels.

Your positive response to the above resolution will go a long way towards stamping out the naked racism and exploitation of Blacks.
