The Secretary
SASM (King Williams Town)

Dear Brother

This is to note that we received the newsletters you sent us and the proceeds thereof were sent back. But we felt we must have used the wrong address so we decided to wait till we get someone who would go down there. Therefore beover will give explanation as to the whole process.

We also heard about the seminar you conducted. Ours was on the last weekend of August 1974, and there a new SASM committee of which I am Vice Secretary was elected.

As to the expulsion of our brothers from school i.e. Thembalabantu, really, it was quiet irritating. Once more the powers that be have showed that their are scared. Nevertheless we wish you a speedy recuperation from your terrible experiences.

In fact the most important purpose of this letter is to let you know that we are organising a National Seminar to be held at the Edendale Lay Ecuminical Centre in Pietermaritzburg, starting from 11th to 15th Dec. 1974.

So we are hoping for you utmost co-operation in the organising for the seminar.

Yours sincerely
M. MOROBE
