Dear Chairman

I hereby informing you about the mediate departure of Sweli SIZANI the Organiser of the Organisation and the detention of Sibongile MTHEMBU the General Secretary.

Zweli SIZANI has left the country after being highly wanted by the security police. Sibongile MTHEMBU was found in a house at Emndeni Extension, in Soweto on the 6th August.

In substituting these vacant portfolios, we saw it being necessary to elect Thami QWETHA as the acting National Organiser and Joseph TSOTETSI as the General Secretary.

I am politely requesting the General or Branch Executive of every branch to prepare the report of each and every branch immediately as the National Executive will soon discuss the calling of the seminar.

The Soweto branch has seen it necessary to open an office and it has done so in above mentioned address.

There are also two new branches that has been recently established, in Alexandria and Vereeniging.

Thank you

Vice President

Mr. S.S. MAZIBUKO.
