And have you no friend or relation who would love it for a birthday —or for that matter for a non-birthday—present for a non-racialist— or for that matter a racist in need of a lift?

THOUGHT
 New ideas and old in and about Africa

ARTS
 There is no cultural apartheid in The New African: poetry, painting, writing, sculpting, the lot

LIFE
 Social and economic life in industrial and pre-industrial Africa and South Africa. And the lands in which it is lived

POLITICS
 KANU TANU SWANU ZANU where they've moved from where they're moving to and not leaving behind South Africa's ANC PAC LP PP UP HNP
