Dear Steve,

Sorry I missed you on the 28th May. Thanks for your letter of June 5th. I tried to 'phone you at the number this morning but was not successful in getting through.

Your letter is not quite clear. What are we paying for - for your people to come to your Conference or for your people to come to our Conference. As you probably realize some of the people you indicate will not be able to come to our meeting because they have been banned from so doing. Anyway, I am enclosing a cheque for R150-00. Will send the rest when you clarify the above. Please do this by 'phone or by telegram.

I am very happy to hear that things are moving particularly in the Eastern Cape. More power to your arm! I hope to hear from you very soon. Greetings from everybody up here.

Yours sincerely,

COLIN B. COLLINS
