

WAR

A.5 (20)

Untill the racist minority regime of Vorster and Smith is totally destroyed
War

Untill these white supremacy is abandoned
and there no longer first class and second class
citizens of any nation
War

Untill the colour of the manstin is of no significanse
than the colour of his eyes
War

Untill the basic human rights are equally quaranteed
to all without to regard to race
War

That untill the ignorant and unhappy regime
that holds our brothers in South Africa, Rodesia
and S.W.A. in sub-human bondage have been
toppled, utterly destroy
War

Untill that day the African continent will
no know peace
Ramber; na chirurenga
